**A FEW SUGGESTIONS...**  
 Your child has been invited to a rock climbing party at The Cave.  
 We have a few suggestions to make sure your child has a safe, fun and comfortable visit:  
 Climbers should wear **trainers** that can be laced tight.  
 Climbers should also wear **comfortable clothing** that allows freedom of movement.  
 Parents/legal guardians will be asked to complete and sign a register of all climbers at birthday parties.  
 If you have any questions about the register, please feel free to call us and we'll be happy to help.
